

HAPPY TALK

Situational English Program

Happy Talk is a situational English program that keeps students entertained with various visual and activities.

Instructor feedback provided both online and offline allows students to achieve balance among the four key English skills.

COMPLETE YOUR ENGLISH WITH EYE LEVEL

Mastery of Basic Language Skills

Situational English with Animated Characters

ONLINE LEARNING FLOW

6. View My scores

CURRICULUM

Fairy Tales

Listen to and follow along basic conversations that take place in Fairy Tales. Learn basic expressions with new vocabulary, chants, and games.

At School

Learn basic expressions that take place at schools with peers such as introducing oneself, expressing my feelings, taking exams, and etc.

At Home

Learn general expressions that may take place at home, such as inviting friends, describing my family, doing household chores, and etc.

In the Community

Learn challenging expressions and grammatical patterns that can be used in our everyday lives, such as going to an exhibition or a hospital, purchasing products at a store, and etc.

WHAT IS 'EYE LEVEL' ?

At Eye Level, each student is provided with an individualized learning program that allows him/her to become self-directed
